LEARN and **BE INSPIRED** by this year's honorees – whose ages span from teens to 80s. We are never too young or too old, or middle-aged, to make a true difference! These **DIVERSE LEADERS** are working in energy efficiency, clean energy, reducing plastics and food waste, and sustainable communities.

MEET INTRIGUING NEW FRIENDS who care as much as you do about clean energy and sustainability, locally and globally, who love to talk about it and act on it. **CELEBRATE** with people working in green careers and businesses, clean energy and sustainability solutions!

Enjoy **DELICIOUS FOOD** and **BEVERAGES**, including organic, veg-friendly dishes from MOM's Organic Market.

Join in our **SILENT AUCTION** with its exciting array of opportunities! Bid on memberships and event tickets for environmental and clean energy groups; on green books; an environmental documentary; and a **Nissan Leaf 4-Day electric auto excursion** – plus more!
