AEE Strategic Objectives

AEE Mission

“To promote the scientific and educational interests of those engaged in the energy industry and to foster action for Sustainable Development.”

Strategic Objectives

- *Connect our members globally, while meeting their needs locally.*
- *Addressing the urgent global environmental and energy needs with certified and qualified professionals*
- *Enhancing and solidifying the value of AEE membership*

AEE National Capital Chapter

- Non-profit organization founded in 1980
- Largest local chapter of a global network of over 18,000 members
- Host of monthly educational events supporting sustainable development
- Professional accreditation course for Certified Energy Managers (CEM)
- Annual career fair for professionals in energy, engineering, and related fields
- Affiliate student chapters:
 - University of Maryland
 - George Washington University
 - George Mason University

A Clear Purpose...

....The Council on Women in Energy & Environmental Leadership supports women in the energy & environmental sectors. It provides networking and support in career development for established professionals and young women aspiring to leadership.

CWEEL

Become a Member to Network & Grow...
